EOL'S COMMITMENTS

**THE WORLD IS CHANGING,
AND SO ARE ENVIRONMENTAL CHALLENGES!**

Eco-Energy certified
since **2016**

For your existing buildings or development projects, our team of experts offers you an **ANALYSIS** and **TECHNICAL KNOW-HOW** to provide you with a clear vision of the **SOLUTIONS** to be implemented, including the tertiary renovation decree, heating, lighting, energy and CO2 assessments, and layout.

We are committed to working with you to step up the **DECARBONIZATION** of warehouses and reduce the **CARBON FOOTPRINT** of buildings.

No. 1

international network
of logistics real estate experts

38
offices

1,100
experts

12
countries

IRELS assists and advises your company through its **international development**, supporting your project from **A** to **Z** with a single point of contact.
